

2019 Pricing Survey

By [LawVision](#) on April 10, 2019

We invite you to participate in the 2019 Pricing Survey by LawVision and Peer Monitor.

The pricing survey explores rates and pricing trends for law firms and it addresses rate issues across the matter lifecycle such as discounting patterns, write-downs, write-offs, and other areas where pricing issues occur. It reviews progress being made in alternative fee structures (AFAs) and new approaches to client value.

The survey should take approximately 10 minutes to complete. We encourage you to answer all questions but you may skip any question. All personal and firm information will be kept confidential.
