Chair >> Business Development, Sales & Growth Practice

Silvia Coulter is a Co-Founding Principal of LawVision. Silvia is widely regarded as one of the legal industry's most experienced sales, key client planning, and sales leadership experts. Her experience includes working as a former strategic account executive and sales leader at a Fortune 50 company, a chief marketing and business development officer at two global law firms, and consultant and facilitator to firms across the globe.

Law firm leaders rely on Silvia's experience and assistance with leadership development, strategic account analysis (key client) and planning, and business development strategy. She is a co-founder of the [Legal Sales and Service Organization](#), a Past Elected President of the Legal Marketing Association, and an elected Fellow of the College of Law Practice Management. She is a frequent speaker and facilitator at law firm retreats and legal industry meetings.

Professional Highlights

- Developed and teach the industry's first Business Development Coaching Certification program
- Developed and taught curriculum for the Marketing, Business Development and Client Service course at George Washington University's Masters in Law Firm Management Program 2011-2019
- Conducted a leadership study and related programming for a global firm's practice leaders
- Facilitated a global leaders' program aimed at collaboration and existing client retention strategy through cross-selling
- Developed and conducted a Strategic Account Management (SAM) program to refine several global firms' overall key client strategies, including developing an overall framework for team leaders, team members, meeting agenda, training and overall plans goals, measures and outcomes, which helped the firm to drive upwards of 25% increase in overall revenue from its specific target clients
- Assisted a global 25 firm with its client retention and growth strategy by conducting a series of senior-level customized client feedback interviews to strengthen the firm's client retention and growth opportunities
- Successfully launched a legal process improvement project for a firm's most significant practice group, including legal work re-engineering and a strategic sales plan for reaching out to target clients with a new value proposition and overall pricing strategy
- Conducted marketing audits for several global 100 firms, developing new roles, responsibilities and an overall more comprehensive sales and marketing organization to provide stronger support to its global offices
- Reviewed and updated a strategic go-to-market plan including existing plan analysis, review of alignment with existing clients (representing 85% of firm's current market share across their key industries), and competitive analysis and market share penetration
- Helped individual partners to deliver over \$3 million in new revenue through a 12-month senior partner sales coaching program
- Conducted a business development analysis for two merging firms that resulted in mapping a view of the merged firm's key clients and key target markets
