Mark Medice is LawVision's Strategic Pricing, Profitability and Data Science Principal. He has more than 20 years of leadership experience providing and applying data solutions to the most pressing challenges facing law firm leaders. Mark spent more than 10 years at Thomson Reuters, where he launched and led the Peer Monitor program. During that time, he created the Peer Monitor Index (PMI), which is widely used throughout the legal industry. Immediately prior to LawVision, Mark led new initiatives around analytics and metrics at Intapp.

Law firm leaders rely on Mark's unparalleled experience in financial competitive intelligence and benchmarking, predictive analytics, industry performance, rates, pricing trends and strategy, profitability, and other critical issues — such as AI Strategy — facing firms today.

Dedicated to ensuring he is always future-ready, Mark is a recent graduate of Northwestern Kellogg School of Management AI Applications for Growth.
